

Shaklee Corporation

To Whom It May Concern:

Thank you for inquiring about the compliance of Shaklee nutritional supplements to national Olympic Committee regulations. You can rest assured that Shaklee's first priority is to produce safe nutritional products for those looking to augment their diets and to support optimal health. We are the proud manufacturers of drug-free nutritional products that have been used with confidence for over 30 years by numerous world-class athletes, including the winners of 54 gold medals in a variety of sports.

Shaklee formulates all foods, dietary supplements and sports nutrition products without ingredients listed on the 2013 World Anti-Doping Agency (WADA) Prohibited List International Standard. Furthermore, Shaklee keeps abreast of changes to the list to ensure that its nutritional product specifications remain in compliance with WADA guidelines. Simply stated, as an athlete who chooses Shaklee, you are choosing safe food products and dietary supplements intended to provide a safe, natural and legal nutritional edge that allows you to perform to the maximum of your athletic capabilities.

Should you have additional questions about Shaklee or our products, please contact my office at the number listed below and I would be happy to arrange a time to talk.
